A screenshot of a Gmail interface. The left sidebar shows the 'Compose' button and a list of folders: 'Inbox' (127), 'Starred', 'Snoozed', 'Sent', 'Drafts', and 'More'. Below these are 'Labels' and a plus sign. The main area displays an email from 'Workato Notification <mailer@workato.com>' received at '1:29 AM (0 minutes ago)'. The email content includes a greeting 'Hi TEAM,' followed by a request to find contents from an FTP server, a JSON object with three people (John Doe, Jane Smith, Emily Johnson), a 'Thank you,' message, and a signature 'TEAM WORKATO.'. At the bottom, a footer states 'This email was generated by Workato on behalf of LINGALA KAPIL GOUD'. The right sidebar shows a vertical stack of icons for various Google services.
